Passenger traffic:

As of July 17, Slovenia has red-labelled Montenegro for passenger traffic, meaning that all passengers coming to Slovenia are sent to a 14-day long quarantine.

As of July 17, Great Britain is green-labelled and there are no restrictions to that passenger flow.

Congestion at the Karavanke tunnel, direction SLO. 1.5 km long waiting line on the east Ljubljana detour, due to the Golovec tunnel reconstruction at Malencam. 1 km long waiting line on the road Mengeš-Trzin and Valeta Jagode.

The regional road Podpeč-Ig will be closed due to roadworks till November 18. The detour is handled. On the Adriatic highway, Lipovci entrance and exit closed, direction Lendava-Maribor. Between Murska Sobota and Lipovci, one half of the motorway is be closed. On the other half there is two-way traffic flow.

Congestion on the east Ljubljana detour, due to the Golovec tunnel reconstruction, traffic is suspended for all vehicles above 3.5 t in both directions.

When crossing the border, all drivers need to have on them a Permit for working in the international transport – this document is used as a proof and no quarantine is needed in that case.

New instructions for international transport drivers that are returning from Serbia or BiH to SLO over weekend by a car. Besides usual documentation, it is now necessary to have a statement containing data on the company, driver, day and hour of departure, plate number and direction where the next tour out of SLO is headed. It is important that from the moment of entry in SLO till the moment of exiting SLO there is no more than 6 hours

Due to the rise in COVID 19 cases and seeing how all of them are imported cases, SLO has, as of June 19, reintroduced a mandatory 14-day quarantine for all arrivals, regardless of residence status in SLO or nationality. This does not entail hauliers in the international transport, who have on them a driving Permit for international transport.
