On the A1 Zagreb-Split-Ploče from January 5 to January 20, every day except Sundays, from 8 a.m. to 4 p.m., traffic in the zone of the Žuta Lokva junction will be interrupted on several occasions.

The following applies to trucks with trailers and trucks with semi-trailers from the direction of the interior: there are no passable roads to Rijeka or Istria and vice versa; towards Dalmatia they can take the A1 highway to the Sveti Rok junction and continue on state roads via Gračac, Obrovac and Karin (A1-DC50-DC27), and vice versa.

Winter conditions (traffic ban for trucks with trailers and trucks with semi-trailers, while winter equipment is mandatory for other vehicles) on most roads in Gorski Kotar and Lika, including the A6 Rijeka-Zagreb highway between Kikovica and Bosiljevo II, state road DC1 Slunj-Gračac-Knin, the old road through Gorski kotar Zdihovo-Delnice-Kikovica (DC3) and the DC23 Kapela-Žuta Lokva-Senj.

On the Krk bridge (DC102) there is alternating traffic with 30km/h speed limit until Mart 03. 2021. There are works on the Istrian Y: between the Cerovlje and Vranje junctions (A8), driving is carried out with temporary traffic regulation and restrictions.

The Dvor and Vitaljina BC's are open only for passenger traffic and for personal vehicles. Traffic ban for cargo vehicles and buses at Gunja BC (due to the instability of the bridge).

All persons from Croatia who are travelling to Italy and Austria must have a negative COVID - 19 test not older than 72 hours upon entry, or should be tested within 48 hours of entering Italy. Transit through Italy and Austria is currently not limited and does not require a negative COVID - 19 test. As of August 15, all Croatian citizens entering Serbia must have a negative PCR test not older than 48 hours, which includes transit through Serbia as well.

As of September 1, only three border crossings between Hungary and Croatia are open: Duboševica-Udvar, Terezino Polje-Barcs (only for Croatian and Hungarian citizens) and Goričan-Leteneye. Hungary closes the borders for all passengers who don't have a residential address in that country. The entry is only allowed for so-called justified cases .

Because of the storm, traffic has been prohibited for trailers, refrigerated trucks and vehicles with a tarpaulin of up to 8 tons on the Vipava expressway between Ajdovščina and Nanos. For trucks with trailers and semi-trailers, traffic on the Croatian side at the BC Babino Polje and Petrina has been prohibited.

Traffic ban for vehicles with trailers and semi-trailers on the Godovič - Črni Vrh - Col - Ajdovščina, Spodnja Idrija - Godovič roads and on the Croatian side at the Babno Polje border crossing. Because of the snow, the road through the Vršič crossing is completely closed.

When crossing the border, all drivers need to have on them a Permit for working in the international transport – this document is used as a proof and no quarantine is needed in that case.

New instructions for international transport drivers that are returning from Serbia or BiH to SLO over weekend by a car. Besides usual documentation, it is now necessary to have a statement containing data on the company, driver, day and hour of departure, plate number and direction where the next tour out of SLO is headed. It is important that from the moment of entry in SLO till the moment of exiting SLO there is no more than 6 hours.

There are new rules for entering Slovenia: the earlier quarantine for the neighboring countries that are on the red or orange list is replaced with a negative test for Covid-19, and there is no quarantine when entering SLO. All exceptions related to international traffic remain.
