THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 609/2013 of the European Parliament and of the Council of 12 June 2013 on food intended for infants and young children, food for special medical purposes and total diet replacement for weight control and repealing Council Directive 92/52/EEC, Commission Directives 96/8/EC, 1999/21/EC, 2006/125/EC and 2006/141/EC, Directive 2009/39/EC of the European Parliament and of the Council and Commission Regulations (EC) No 41/2009 and (EC) No 953/2009 <sup>(1)</sup>, and in particular Article 11(2) thereof,

Whereas:

- (1) Commission Delegated Regulation (EU) 2016/127 <sup>(2)</sup> lays down, among other issues, specific requirements on pesticides and the residues thereof in infant formula and in follow-on formula.
- (2) Delegated Regulation (EU) 2016/127 defines residue of pesticides by using the terminology of Regulation (EC) No 1107/2009 of the European Parliament and of the Council <sup>(3)</sup>.
- (3) However, Article 3(2)(c) of Regulation (EC) No 396/2005 of the European Parliament and of the Council <sup>(4)</sup> provides for a more precise definition of pesticide residues.
- (4) For reasons of legal certainty and clarity, it is necessary to align the definition of pesticide residue contained in Delegated Regulation (EU) 2016/127 with the definition contained in Article 3(2)(c) of Regulation (EC) No 396/2005.
- (5) Taking into account that the residue definitions for active substances should apply as defined in Regulation (EC) No 396/2005, it is appropriate to include only the parent compounds of the active substances in the lists set out in Annexes IV and V to Delegated Regulation (EU) 2016/127 in view of future amendments to Regulation (EC) No 396/2005.
- (6) Delegated Regulation (EU) 2016/127 should therefore be amended accordingly.

<sup>(1)</sup> OJ L 181, 29.6.2013, p. 35.

<sup>(2)</sup> Commission Delegated Regulation (EU) 2016/127 of 25 September 2015 supplementing Regulation (EU) No 609/2013 of the European Parliament and of the Council as regards the specific compositional and information requirements for infant formulae and follow-on formulae and as regards requirements on information relating to infant and young child feeding (OJ L 25, 2.2.2016, p. 1).

<sup>(3)</sup> Regulation (EC) No 1107/2009 of the European Parliament and of the Council of 21 October 2009 concerning the placing of plant protection products on the market and repealing Council Directives 79/117/EEC and 91/414/EEC (OJ L 309, 24.11.2009, p. 1).

<sup>(4)</sup> Regulation (EC) No 396/2005 of the European Parliament and of the Council of 23 February 2005 on maximum residue levels of pesticides in or on food and feed of plant and animal origin and amending Council Directive 91/414/EEC (OJ L 70, 16.3.2005, p. 1).
