

**COMMISSION IMPLEMENTING REGULATION (EU) 2021/2130**  
**of 2 December 2021**

**amending Implementing Regulation (EU) 2020/1201 as regards the lists of plants known to be susceptible to *Xylella fastidiosa***

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) 2016/2031 of the European Parliament and of the Council of 26 October 2016 on protective measures against pests of plants, amending Regulations (EU) No 228/2013, (EU) No 652/2014 and (EU) No 1143/2014 of the European Parliament and of the Council and repealing Council Directives 69/464/EEC, 74/647/EEC, 93/85/EEC, 98/57/EC, 2000/29/EC, 2006/91/EC and 2007/33/EC <sup>(1)</sup>, and in particular Article 28(1) and (2) thereof,

Whereas:

- (1) Since the adoption of Commission Implementing Regulation (EU) 2020/1201 <sup>(2)</sup>, the European Food Safety Authority updated its database of host plants susceptible to *Xylella fastidiosa* (Wells et al.) by including the species *Salvia rosmarinus* as host of all the *Xylella* subspecies.
- (2) That species should therefore be listed under Annex II to that Regulation, as specified plant susceptible to *Xylella fastidiosa* subspecies *pauca*, as it is already listed for the subspecies *multiplex* and *fastidiosa*.
- (3) Moreover, the genus *Rosmarinus* should be removed from Annexes I and II to Regulation (EU) 2020/1201, as its denomination is no longer in use and has been replaced with the denomination *Salvia rosmarinus*.
- (4) Implementing Regulation (EU) 2020/1201 should therefore be amended accordingly.
- (5) The measures provided for in this Regulation are in accordance with the opinion of the Standing Committee on Plants, Animals, Food and Feed,

HAS ADOPTED THIS REGULATION:

*Article 1*

**Amendments to Implementing Regulation (EU) 2020/1201**

Implementing Regulation (EU) 2020/1201 is amended as follows:

- (1) Annex I is replaced by the text set out in Annex I to this Regulation;
- (2) Annex II is replaced by the text set out in Annex II to this Regulation.

*Article 2*

**Entry into force**

This Regulation shall enter into force on the twentieth day following that of its publication in the *Official Journal of the European Union*.

<sup>(1)</sup> OJ L 317, 23.11.2016, p. 4.

<sup>(2)</sup> Commission Implementing Regulation (EU) 2020/1201 of 14 August 2020 as regards measures to prevent the introduction into and the spread within the Union of *Xylella fastidiosa* (Wells et al.) (OJ L 269, 17.8.2020, p. 2).

This Regulation shall be binding in its entirety and directly applicable in all Member States.
