A3 Bregana-Lipovac: due to the rehabilitation of the Adriatic bridge and increased traffic towards the Jankomir approach loop and further towards the city of Zagreb, temporary traffic regulation has been installed at the Jankomir junction, where the 700 m long lane is closed. Traffic signals were installed while the restoration of the Adriatic bridge is in progress, i.e. while the need for it continues.

Until 22.12. on the A7 Rupa-Rijeka-Žuta Lokva highway, the exit lane at the Matulji interchange from the direction of the Rupa border crossing in the direction of Opatija and Pula is temporarily closed. Traffic was diverted to the Jurdani interchange on the state road DC8 for Pula/Opatija and Matulje.

From 14.11. until 22.12. on the A7 Rupa-Rijeka-Žuta Lokva highway, due to the reconstruction of the Matulji interchange, the branch from the direction of GP Rupa in the direction of Opatija and Pula was temporarily closed, and traffic was redirected to the Jurdani interchange on the state road DC8 to Matulji.

On the A9/A8 Istarski ipsilon, between the interchange Lupoglav and Veprinac (A8), due to the construction of the second tube of the Učka tunnel, traffic is driven with temporary traffic regulation. Between the interchange Lupoglav and Vranje (A8) traffic is prohibited for vehicles wider than 3 meters.

At the Svilaj border crossing from January 1, except for passenger traffic, the traffic of passengers and goods is possible, but due to restrictions on the BIH side with goods that are subject to inspection services, excise goods will not be able to circulate until further notice.

GP Dvor and Vitaljina are open only to the traffic of passengers and private vehicles

Traffic ban for trucks and buses on GP Gunja due to the instability of the bridge.

- Slovenska road will be closed in Mengš until April 20, 2023.
- In Ljubljana, on Šmartinska road, Sneberje-Ljubljana section, at the intersection with Trbeže road, until February 2023, due to the construction of a roundabout, traffic will take place alternately in one direction.

Full closures - detours are arranged:

- On the Gorenje highway, at the Vodice junction, imports towards Karavanke are closed.
- Ljubljana - Šentvid - Vodice, in Tacno, until December 22.

At the Svilaj border crossing from January 1, the traffic of passengers and goods is possible, but due to restrictions on the BIH side with goods that are subject to inspection services, goods that are subject to excise duty will not be able to trade until further notice.

GP Dvor and Vitaljina are only open to the traffic of passengers and personal vehicles.

Traffic for trucks and buses is prohibited on GP Gunja (due to the instability of the bridge).
